Health and Nutrition

Strengthening the foundation by nurturing a healthy body to cultivate a thriving mind.

- Curriculum of international standards to prepare children for the global community.
- Activity-based experiential learning approach catering to individual learning needs.
- Student-friendly interactive environment that encourages self-discovery, creativity and innovation.

- Innovative teaching methods focused on student-centric learning
- Integrated syllabus in the light of competitive exams.
- Promotes skill learning among students with valuable inputs.

NARAYANA

Building the future engineers !

Narayana is credited as the Adiguru of IIT coaching in South India, pioneering IIT selections in Andhra and Telangana regions, and expanding nationwide. Besides IIT, Narayanites consistently excel in NIT, EAMCET, KCET, MHT-CET, and various state entrance exams, making "Narayana" synonymous with engineering entrance success.

Special features :

- Concept-oriented teaching methodology.
- Research-oriented study material.
- Most senior faculty
- Expert Counsellors
- Microschedule and Error-list

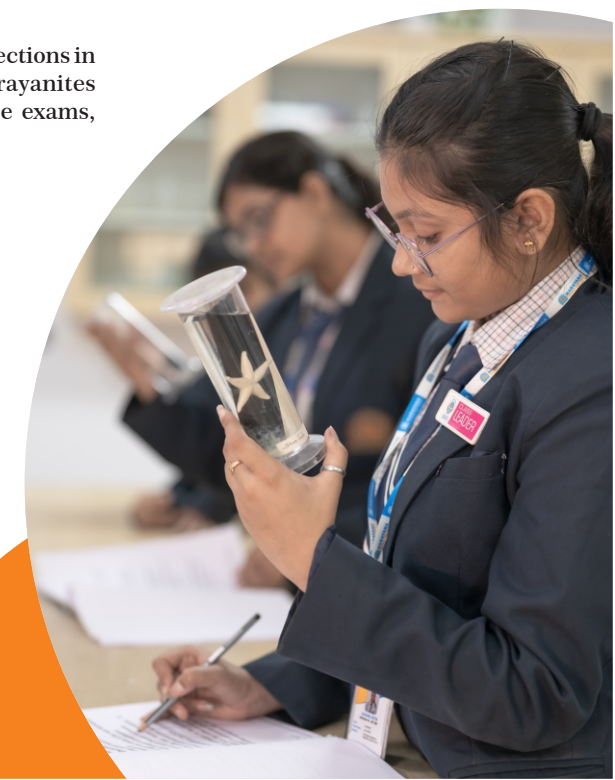

NARAYANA

Doctor Your Destiny !

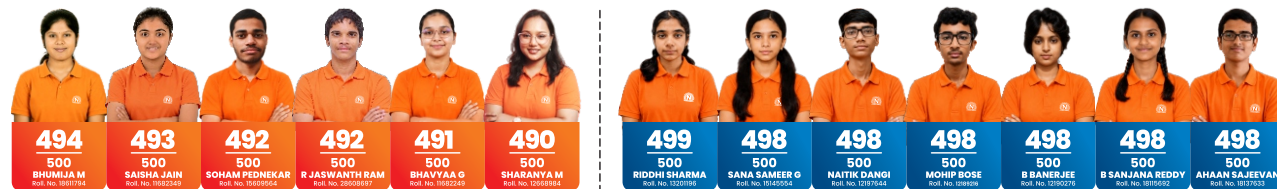

NEET programmes are crafted to facilitate students in achieving top ranks in various Medical Exams.

Special features :

- Integrated study material
- Special focus on Physics
- Area-wise common ranking system
- Common focus on NEET & State-level Medical Entrance Exams
- Most senior faculty
- Microschedule and Error-list
