Founder's Message

"Footprints on the sands of time are not made by sitting down". Today we rededicate the last 4 decades of our success to your dreams. I wish all our students a very successful academic year ahead.

Dr. Ponguru Narayana
Founder, Narayana Group

Chairman's Message

Instilling inspiration, innovation & interaction

Narayana Group founded by Dr. P. Narayana, stands out in education through innovative teaching and courses tailored to match students' ambitions. Our students consistently excel in prestigious exams such as JEE, NEET, WB-JEE, and more.

At Narayana Schools, West Bengal, we believe in nurturing young minds to become lifelong learners and responsible global citizens. Our approach blends the values of traditional education with modern methods, driven by the transformative vision of the National Education Policy (NEP 2020) and the National Curriculum Framework (NCF 2023). We empower students through a well-rounded and flexible curriculum, preparing them for a bright future.

P. Subrahmanyam
Chairman
Narayana Schools, West Bengal

A dynamic music program encompassing composition, performance, and critical analysis

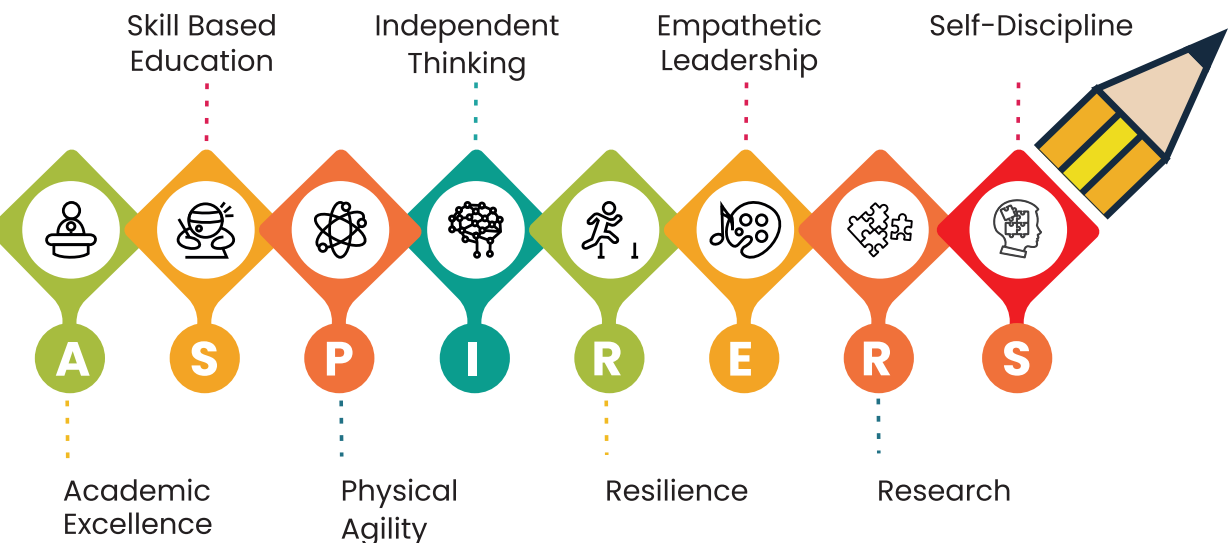

PUBLIC SPEAKING

Equipping children with confidence and skill to speak in public, and think critically and creatively. It improves research and leadership skills along with the ability to advocate for social causes.

A. S. P. I. R. E. R. S

Academic Philosophy

Life's unpredictability means we must equip each child to thrive beyond the classroom, preparing him or her for the ever-changing future. We are building the leaders of tomorrow through an all-new academic philosophy A.S.P.I.R.E.R.S, exclusively designed with the aim of providing 360-degree development to our students.

We think differently !

Narayana Group of Schools is proud to present its unique academic theory of A.S.P.I.R.E.R.S., introduced with an aim to ensure our children are always capable of moulding their skills as per the changing times.

This theory serves as the cornerstone of the learning environment we've established for our future global leaders. It instills essential values and fosters the right attitude within them, equipping them to confront forthcoming challenges.

Application-Based Learning

Robotics

Narayana Group of Schools uses technology to prepare students for future careers, emphasizing robotics and hands-on kits like Edubot, Edurover, and Robokit for practical problem-solving.

Subject Kits

Facilitating the concept of hands-on learning methodology, Narayana Group of Schools has introduced subject kits in its curriculum. These kits give a practical understanding of the subject that helps the child to retain the subject matter for a long time.
